

## Make A Difference, We Want You

Are you that Architect looking for opportunity to provide leadership? We want you. You would undertake project design, contract documentation, contract administration and business development with opportunities for Firm leadership.

Guy Architects fosters wellness and delight within the communities we serve. For over 30 years, we have created innovative architecture in the Northwest Territories, and Nunavut. Visit us at [www.guyarchitects.com](http://www.guyarchitects.com).
